Important: Parents Authorization

My son has permission to engage in all prescribed camp activities except any that I have noted in writing. Further, in the event of an EMERGENCY, if I cannot be reached, I hereby give permission to the physician selected by the camp to hospitalize, secure proper treatment for, and to order injection, anesthesia, or surgery for my son as named above.

Camp Nathanael reserves the right to dismiss a camper who, in its opinion, is a hazard to safety and the rights of other campers, noncoms and staff, or who appears to have rejected the reasonable controls of the camp. All weapons (including knives and jackknives), hatchets, matches, and lighters are strictly prohibited and will be immediately confiscated if found on a camper or among his possessions. I understand my child's photograph or video may be used for camp promotional purposes. My son(s) and I have read all the above release information and accept the conditions of camp registration.
